Please read the following carefully. If you have any questions, have them answered before signing this document. (Please print legibly.)

I, _____ (name), _____/_____/_____(ss#),
(Please print legibly)

in participating as a service provider at a non-profit location, hereby release, waive, and hold harmless the University of Redlands and the Office of Community Service Learning, their officers, agents, and employees, from and against any and all claims, demands or causes of action of any type whatsoever, including property damage, personal injury or death, arising out of or in any way related to my participation in service project(s) to which I will be involved.

I am aware that there are risks and dangers associated with my participation in community service projects, including the risk of property damage, personal injury or death. I acknowledge that my participation in service project(s) at locations of my own finding or referred to me by the Office of Community Service Learning was done so in good faith. I assume full responsibility for any injuries or damages I may sustain as a result of my participation, including travel to or from a service project.

I further acknowledge that the Office of Community Service Learning has advised me not to serve at a non-profit agency that does not cover me or other volunteers in their insurance policy. I have been advised to obtain health insurance by the Office of Community Service Learning and I understand that I am solely responsible for any medical costs I may incur as a result of my participation in service project(s) referred to me by the Office of Community Service Learning.

By signing this waiver of liability, I acknowledge that I have read and understand this document and fully agree to its terms and conditions.
