

Dear University of Redlands Students,

We hope you all are enjoying Fall semester!

We wanted to share an update that we believe you would love to learn more about. *The New York City Department of Education's 2018-2019 Teacher Application is now open.*

We encourage you to submit an application through the <http://teachnyc.net/> website. Once an application is successfully submitted and pre-screened, you will have access to:

- NYC DOE Teacher Hiring Guide
- Priority consideration for NYCDOE recruitment and networking events
- Referrals to schools who are already interviewing candidates
- TeachNYC Academy: A series of job search webinars designed to give you the inside scoop on getting hired in our schools.

If you have any questions please email their office directly at teachnyc@schools.nyc.gov or call (718) 935-4000. We hope you take advantage of this opportunity!

Kind Regards,
University of Redlands Staff
