

Change of Dissertation Chair/Advisor form

This form indicates that a student has reached an agreement with the faculty members listed below to change dissertation chairs for their dissertation work. The new chair will assume responsibility to guide the dissertation and serve as advisor for the remainder of the student's time with the program. The chair will be a University of Redlands, School of Education, faculty member. Both the outgoing and new chair will sign this form to signal acceptance of the change.

If changes occur in the future, students must process a "Change in Dissertation Chair" form that is signed by all concerned, including the outgoing and incoming chair. Please scan and keep a copy for your records and then submit this form in hard copy for processing to
