

# University of Redlands, Marin Campus & EBMC-Approved Caterers and Vendors

105 Seminary Rd, San Anselmo CA 94960

The University of Redlands, Marin Campus and EBMC are proud to partner with the businesses & individuals on our Preferred List of Full-Service Caterers and Vendors.

The Pre-Approved List includes a range of food services, event planners, equipment & supply vendors, musicians, and more. Please contact vendors directly to inquire about pricing and independently contracting for their services.

Clients are required to hire a full-service caterer for all weddings and special events. Meetings and retreats only may engage delivery service catering.

If a client prefers to hire a Full-Service Caterer that is not listed below, the caterer will be required to agree to our policies, provide acceptable business and insurance documents, and attend a walk-through of our site with a member of the EBMC Events team. Upon completion of a successful event, we are happy to add new caterers and vendors to our List.

Approved audio-visual vendors may be permitted to operate the University-owned sound & video systems in our chapels. All music and other forms of entertainment must follow event guidelines on sound levels & amplification. Additional agreements and requirements may be required.

A final venue walk-through with all vendors should be scheduled at least 30-45 days prior to event. All vendors must be licensed and insured per contract terms & conditions.

## → Preferred Full-Service Caterers & Licensed Beverage Services

Full service caterers provide the food, wait & bartending staff, and often can provide linens & additional equipment. They are responsible for event setup, strike, & cleaning, and are required for all special events, including weddings.
