the NSO EXPERIENCE

New Student Orientation (NSO) is an opportunity for new students settle into their new community, connect with classmates, faculty and student leaders, and register for classes.

Throughout the NSO experience, you will become acclimated to campus and immerse yourself in the college experience. Throughout the day, you will make connections with fellow incoming students and Orientation Leaders. NSO marks the beginning of a new chapter in your life, an exciting time for exploration, reflection, and growth.

We ask that you dive in; commit yourself to taking advantage of this new beginning by seeking out connections, putting yourself out there, and soaking up the experience.

Congratulations, and best of luck, Bulldog!
