

All University of Redlands students, faculty, administrators, and staff are eligible to register for this event free of charge. To get free full registration for this event, follow these steps:

Go to the [Esri User Conference web page](#) and click [Register now](#) →.

1. Register as a general attendee, even if you are a student.

2. Click **Sign in** as shown below.

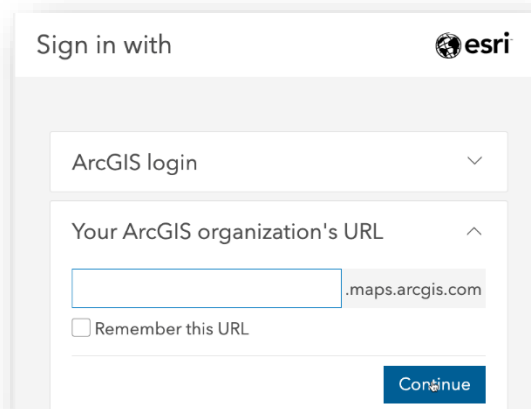

### 2021 Esri User Conference - Virtual Registration

Each attendee will need to have their own Esri Account.

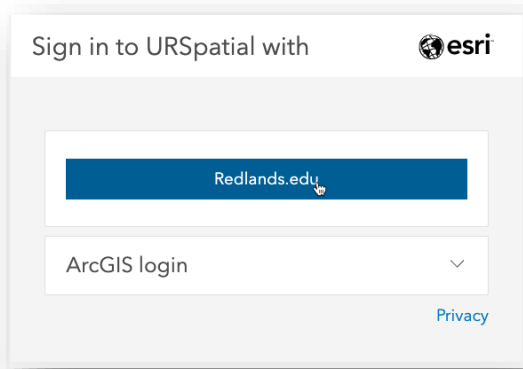

Already have an account? [Sign in](#)

No account? [Create a public account](#)

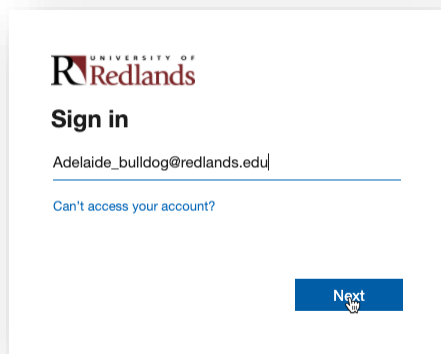

3. In the **Your ArcGIS organization's URL** box, enter **redlandsbusiness** (if you are affiliated with the School of Business) or **univredlands** (if you are affiliated with any other part of the university, including the College of Arts and Sciences, School of Education, Graduate School of Theology, and university administration)

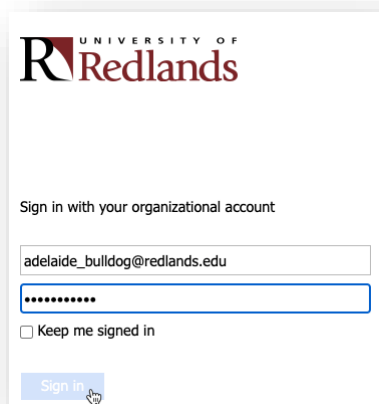

4. Click **Redlands.edu**.

5. Sign in with your University of Redlands email address.

6. Use the password associated with your email address.

7. When you get to the following screen, choose **Virtual UC General Audience** and Customer No. **12498**. Complete the rest of the form as you wish. Then, click **Proceed**.
