5 things to remember

1. No Elevators! Pack smaller boxes that are easy to carry up stairs.
2. Pack a blanket and a fan: the same temperature feels different to different people.
3. There are limited outlets in each room: pack a power strip.
4. Bring Command or 3M strips. Do not use nails, duct tape, or blue tack, as they damage the walls.
5. Bring basic cleaning supplies for small spills and messes that happen throughout the year.

RESIDENCE LIFE AND HOUSING

About Us

Fairmont Hall houses first year students and has a unique institutional tradition - "The Rock". Other halls and organizations attempt to "attack" the rock with paint, and Fairmont community members take pride in defending their rock with a water balloon or strategized hose spraying defense.

1

Population

Fairmont hosts approximately 70 first year students.

2

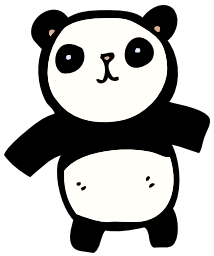
Rooms

Rooms are single, double, triple, and quad style rooms with mostly hallway bathrooms, and the hall is co-educational.

3

Staff

There are 2 Community Assistants and 1 Community Director living in the hall.



Fun Fact:
Fairmont's mascot is the Peace Panda!

Amenities

Fairmont has a carpeted lobby and television with cable on the first floor. The basement also boasts new furniture, study spaces, and a kitchen. The kitchen is equipped with a stove, oven, microwave, sink, and refrigerator. All rooms share hallway bathrooms, with the exception of four suites on two floors. The laundry facilities are in the basement and are credit and debit card-operated.

Roommates

Our CAs will provide roommate agreements to help facilitate conversations about how the new roommates want to share the room. It includes cleanliness, guest preferences, and more! Start early, talk now!
