

Alumni Association Board of Directors Awards 2020

Nomination form

Thank you for nominating a fellow Bulldog for an award. Please take a moment to consider the list of potential awards and those you know who might be deserving of recognition. Perhaps they have an outstanding career path or have contributed through their volunteer efforts to the greater good. Maybe you know of a soon-to-graduate student who deserves accolades for all they contribute to the University now and the potential they represent for the future.

The Alumni Association Board of Directors Awards and Traditions Committee looks forward to reviewing your nomination of individuals who contribute and inspire, Bulldogs who make a difference in the world, whose actions reflect positively on the University. If your nominee is not chosen to be recognized this year, we will retain their information for consideration in future years. The deadline to submit a nomination is January 15, 2020.

If you have questions or need clarification, you are welcome to contact the Office of Alumni & Community Relations at 909.748.8011.
