

# TENNIS COMPLEX

**Bulldog Tennis  
is not just about  
wins and losses.  
Our ability  
to teach life  
lessons through  
competition is  
unmatched.**

Bulldog Athletics connects the campus community and strengthens our University across the board. Our graduates often share how much their Bulldog student-athlete experience shaped who they are today. Our coaches and staff provide student-athletes a personalized learning environment and help to develop their potential.

Building upon the rich legacy of Bulldog Tennis from the Verdieck era and beyond, our plans include building a new tennis complex to help reflect the excellence of our Bulldog athletic program. Our \$3 million goal for this project will elevate our aging athletic facilities, benefiting U of R's talented student-athletes and dedicated coaches for years to come.
