

# WELCOME TO REDLANDS

# WHY CHOOSE REDLANDS?

## SOUTHERN CALIFORNIA

Centrally located near the beaches, mountains, and desert in the heart of Southern California—about 100 kilometers east of Los Angeles—the University has close ties to businesses, such as Amazon, Apple, Esri, Google, and Target, which makes it a great place to land an internship.

## REDLANDS INTERNATIONAL STUDENTS ASSOCIATION

RISA is a group for our students, from over 45 countries of citizenship, to come together to share their experiences with their international peers, and to bring their culture to the rest of the Redlands community.

## TOP RANKED COLLEGE

In 2020, *The Princeton Review* ranked Redlands as one of the “Top 385 Colleges” in the USA.

# BEST 385 COLLEGES

THE PRINCETON REVIEW

## ACCOMPLISHED PROFESSORS

Award-winning faculty conduct research and creative endeavors that help shape the world, while they teach and mentor students. Hear from our faculty through our Redlands Spotlight Series, that features virtual information sessions with some of our departments.

## GRADUATE IN 4 YEARS

[www.redlands.edu/fouryearpromise](http://www.redlands.edu/fouryearpromise)

The University of Redlands is committed to student success. **With the Redlands Promise, students have the opportunity to graduate in four years—guaranteed.** And we are committed to help you prepare for life after graduation. From your professors, to your alumni network, to the Office of Career and Professional Development (OCPD), there is a network of people to help you find your first job, and your last.

## Next Steps in Becoming a Redlands Student

- Submit your non-refundable \$350 U.S. Dollars enrollment deposit. While you may submit the enrollment deposit at any time, we encourage you to do so by May 1, the National Candidate Reply Date. However, if you need additional time due to the COVID-19 situation, we are willing to extend the deadline for you up until June 1.

In order for an I-20 to be issued, the following documents may be required:

- Copy of the photo page of your passport.
- Updated Certificate of Finances and supporting documentation if the total amount on your initial Certificate of Finances and scholarship(s) did not meet our total cost of attendance.
- If currently studying in the USA on an F-1 visa, you will need to provide a SEVIS Transfer Release Form.
- A final high school transcript that includes proof of graduation must be mailed directly from your previous institution to the Office of Admissions. If not in English, an official translated and notarized copy must also be submitted.
- Submit all required documents (housing, health forms, First Year Seminar selections and others) by the noted deadlines. A username and password will be sent to access your New Student Checklist after your enrollment deposit has been submitted and processed.
- Stay in touch over the summer to make sure the University has everything we need to ensure your transition goes smoothly. You can contact me at [kenley\\_jones@redlands.edu](mailto:kenley_jones@redlands.edu) or via WhatsApp at (909) 801-4293.
- Save the date for International Student Orientation in late August. Additional details will be sent over the summer to you.

In addition to the list above, international transfer students must also submit the following:

- All final university transcripts. If you have a foreign university transcript, a credential evaluation from World Education Services (WES) or International Research Educational Foundation (IERF) is required.

---

“The University of Redlands enabled me to sculpt my education with the help of accomplished professors and incredible mentors. The experience gave me a space where I was constantly challenged and stimulated by my classes, campus programs, and clubs.”

**—Tinbite Legesse '19, International Relations and Public Policy major  
with an emphasis in peace and conflict studies  
Beijing, China**

---

“On campus I have been able to lead and contribute as a leader of RISA (Redlands International Students Association) where international students can have a safe space to share and practice their cultures, bring awareness to international students on campus, be included in conversations about representation, give a sense of home to the international students in this community, and empower, support, and encourage international students on campus.”

**—Gavi Dhariwal '23, 3-2 Engineering program  
Jaipur, India**

“International students at Redlands encounter the same range of opportunities for engagement outside the classroom as any other Redlands student. Currently, our international students work as tutors, research assistants, in residence life, and in admissions. They are also members of the student government, leaders of diversity organizations on campus, and work with Outdoors Programs. They’re also supported as international students through the Redlands International Student Association, which offers programs, trips, and activities throughout the year on their own and in cooperation with other clubs and organizations on campus.”

**—Steve Wuhs , Assistant Provost for Internationalization  
and Political Science Professor**
