

## **Johnston Knitting Collective - JNST 000J**

**1-2 units**

**Tues. 6:00 – 8:50pm**

**Prof. Kelly Hankin**

**JKC will bring together students who share a common interest in the craft of knitting for community building with purpose. In the spirit of Johnston collectives, we will figure out what our objective for the semester will be together over the first couple of class sessions.**

**Possibilities include: craftivism, philanthropy, community-service partnerships, and anything you can dream of. Experienced and new knitters welcome—just come with a passion for community, fiber, and collective work! Yarn and starter needles included.**
