LAND ACKNOWLEDGEMENT

We are gathered on the land of the Serrano and Cahuilla peoples, and we acknowledge the important contributions of this community, their elders both past and present, as well as future generations. The University of Redlands School of Music is committed to continuing to learn about the land we inhabit, the people who have been displaced from this land, and building community with its original caretakers.

BIOGRAPHY

Jeffrey Michael Boehl is a first year graduate student at the University of Redlands, pursuing a performance degree under the instruction of Dr. Eddie Smith. He also completed his Bachelor's degree at the University of Redlands, graduating in 2019. Prior to his time at Redlands, Jeffrey received an Associate's degree in Music and Humanities from Riverside City College, graduating in 2017. His collegiate studies have included, but not been limited to, music education, classical performance, jazz performance, and woodwind studies.

As he aims to teach collegiately, Jeffrey has explored his passion for teaching through K12 with local middle and high schools in Rancho Cucamonga, Riverside, Moreno Valley, Fontana, and Corona. He has had the privilege of leading and collaborating on masterclasses throughout the cities he has taught in with the help of the Echo Quartet, Pastel's Quartet, and the Mikrophone 4tet.

Though his focuses have been centered on education, Jeffrey's performance career has been prolific. From traveling with the Riverside All Stars to Paris, France, and touring Costa Rica with the Sax Orion Student Quartet, to performing alongside jazz legends such as Bobby Shew, Lanny Morgan, and Luis Bonilla, Jeffrey has enjoyed his time in the stage lights. Jeffrey has also had his fun as a pit musician during musical productions including *Young Frankenstein* and *Thoroughly Modern Millie*. He has performed extensively and recorded with his jazz groups Series 1 and The Fours Collective, and has recently collaborated with established and upcoming composers alike through the university. His efforts have been recognized with the Woody Herman Jazz Award, inclusion with two Downbeat awards, and, in the fall of 2019, runner-up of the University of Redlands Concerto Competition. Fruitful experiences of teaching and performing have fueled a brighter-burning passion for him as he sets his sights on future competitions, conferences, and teaching opportunities.
