Q18 Please tell us one or two things the School of Business could do to enhance our academic advising services.

Answered: 9   Skipped: 13

| #	RESPONSES	DATE
1	Have periodic one on one meetings	4/23/2018 6:22 AM
2	More full time staff rather than adjunct. However some adjunct staff was really knowledgeable	4/20/2018 10:17 AM
3	More face to face interaction esoeciallyfor satellite locations.	4/16/2018 2:23 PM
4	Have more traditional type practices such as honor roll and the use of stoles when graduating. Omiting these types of practices makes students feel unworthy. Access to Armacost Library as Alumni would be very beneficial as we build a career foundation	4/16/2018 8:14 AM
5	Don't change a thing. Outstanding service	4/10/2018 7:10 PM
6	I do wish that the managers would schedule the courses in Student Planning for us; the process seems complicated and every time I add a course I have an issue where I have to contact him for it to be approved. I believe it would help simplify the process.	4/9/2018 4:43 PM
7	Better communication	4/9/2018 8:10 AM
8	Provide more resources for the students in how to complete general units.	4/9/2018 8:08 AM
9	Tactical: Redlands classrooms include dated technology such as very low resolution projectors and no HDMII. Structurally my BSM program is designed to occur around the working professional, however the curriculum really is designed for a youthful college student. Meaning, a student who has a desire to be in management, not focused on someone who has 10+ years of people and multi-million dollar business unit experienc. If I was to recall on my time, there was only 1 adjunct professor who has any large scale work experience. Therefore low credibility.	4/9/2018 6:51 AM
