

TOP 5 REASONS TO CHOOSE CAREER STEP

Our online career-training programs can help you make the most of your future because they offer:

1. **Fast track to graduation** – These courses are designed to get you in, out, and working in less than a year.
2. **Flexible, convenient online training** – The online format of the program lets you study on a schedule and at a pace that fits your lifestyle.
3. **Career-specific education** – Choose training with employer recommendations and certificate preparation included to ensure you have the skills employers are looking for.
4. **Placement help after graduation** – Our training programs include instructor support while you're studying as well as help turning your education into a job after graduation.
5. **Affordable tuition** – Quickly and affordably finance your education. This low-investment education can save you hundreds on tuition.

Get In, Get Out, Get Working

Be career-ready in a year or less!

GET IN

A Career Step education provides students the training they need to start a successful career in a growing, in-demand field in as little as 12 months.

Professional Medical Coding and Billing with Applied PCS	\$3,699
Medical Transcription Editor	\$3,199
Medical Assistant	\$3,999
Medical Administrative Assistant with EHR	\$3,199
Pharmacy Technician (ASHP/ACPE)	\$2,999

Everything you need—comprehensive online curriculum, reference materials and textbooks, instructor support, and job search help after graduation—is included in our low one-time tuition payment.

GET OUT

Training for a new career doesn't have to take years. With the right program and a quality support team, students can be out of school and career ready in a matter of months.

Professional Medical Coding and Billing with Applied PCS	4-12 Months
Medical Transcription Editor	4-12 Months
Medical Assistant	4-12 Months
Medical Administrative Assistant with EHR	3-6 Months
Pharmacy Technician (ASHP/ACPE)	4-12 Months

Though our programs are designed to be completed in 3-4 months of full-time training, students have a full 6-12 months of access to the course material so that they can study at the pace that works best for them.

\$ GET WORKING

After graduation students will be ready to earn important industry certifications that prove their skills to employers and set them apart from other applicants. Certifications may also help them earn more throughout their career.
