CULMINATING EXPERIENCES

Dissertation Writing

Students will work with their dissertation chairs to develop a timeline for dissertation completion. Students who need more than one-year or 9-credits to complete their doctoral dissertation must remain active students by registering for a dissertation writing extension course. **EDUC 862: Dissertation Writing Extension** is a 0-credit course that is not applicable for financial aid. A fee equivalent to 1-credit of tuition will be charged for each trimester required to complete the dissertation and defense.

Elective Options

The concentration in Education Administration (with no credential) provides candidates, particularly those who already possess an administrative credential, with the opportunity to expand their leadership skills in a deep and meaningful way. Students in this concentration will select five content courses from list of Education Administration courses. Please refer to the [program requirements webpage](#) or contact your Academic Advisor for more information about each course option.
