CULMINATING EXPERIENCES

Dissertation Writing

Students will work with their dissertation chairs to develop a timeline for dissertation completion. Students who need more than one-year or 9-credits to complete their doctoral dissertation must remain active students by registering for a dissertation writing extension course. **EDUC 862: Dissertation Writing Extension** is a 0-credit course that is not applicable for financial aid. A fee equivalent to 1-credit of tuition will be charged for each trimester required to complete the dissertation and defense.
