CULMINATING EXPERIENCES AND GRADUATION REQUIREMENTS

The Educational Administration master's program coursework is designed to meet all of the California Administrator Performance and Content Expectations (CAPE and CACE) and meets the requirements for the Preliminary Administrative Services Credential (PASC). All students must successfully complete all courses with a cumulative G.P.A. of 3.0 or higher. Courses are offered once a year. Students are expected to take the program coursework as set out above. If a student is unable to take the program as designed or diverts from this program plan, they will not be able to complete the program in two years and may not receive all of the supports for CalAPA as designed. Students must also successfully complete an electronic portfolio assignment, comprehensive exit exam, exit interview, and pass all three cycles of the California Administrator Performance Assessment

(CalAPA). Students are responsible for registering, paying for, and completing each cycle of the CalAPA with a passing score. Please see our [Pathway to Credentialing](#) webpage for additional information.

Upon completion of the program, students may apply for a Certificate of Eligibility. Credential candidates must have worked full time under the authority of a teaching or service credential for five years, in addition to completing the program's coursework and fieldwork, as a prerequisite for the Certificate of Eligibility. This certificate never expires and enables the holder to apply for administrative positions. Once employment is gained, holders of the Certificate of Eligibility may then apply for the Preliminary Administrative Services Credential.
