FIELDWORK AND CULMINATING EXPERIENCES

Fieldwork

A minimum of six hundred (600) clock hours are required at a minimum of two different sites. Candidates may conduct hours at the same institution provided they are earned at two different sites. Four hundred (400) of the 600 clock hours must be in a college setting (community college or university). It is recommended that candidates pursuing the college track conduct two hundred (200) clock hours in a high school or a high school-to-college transition setting. Co-current enrollment in EDUC 677 A, B, or C is required while earning fieldwork hours. Students will work with the [Office of Student Success](#) to identify placement sites.

As part of the required fieldwork hours, candidates must complete at least 100 hours of experience in each of the

following areas: Social/Emotional, College/Career, and Academic.

Comprehensive Exam

Students must pass the Counselor Preparation Comprehensive Exam (CPCE) in order to complete program requirements. See Handbook for more information.

Commencement Ceremony Participation

School of Education students complete program requirements at various points throughout the year. The Commencement ceremony occurs in April. Students may apply to participate in the academic year in which they complete their program requirements as long as they do so by August 31. Eligible students **must apply** for commencement via Student Planning Portal by January 31. A reasonable plan for completing the remaining requirements by August 31 should also be submitted to the student's advisor by January 31. [Learn more](#)
