UNIVERSITY OF REDLANDS

New Student Orientation

2016
The New Student Orientation Program is your introduction to life on campus. Whether you are new to college life or transferring from another institution, this is your opportunity to get to know our community and kick-start your adventure as a University of Redlands student. Please take time to review this entire booklet and remember—each event listed has a specific purpose and is designed for your active participation.

Through these scheduled events, you will learn all the essential information about academic life, important resources and the campus community. Many social events are planned to give you the opportunity to meet other students and have fun. By the end of Orientation you will be amazed how much you already know about the U of R!

There are many individuals available to assist you throughout New Student Orientation: Residence Life and Housing staff, Orientation Leaders, Peer Advisors, and all of your faculty, University staff members and administrators. All of us will be very visible and accessible throughout Orientation and beyond.

We hope you make the most of your experience at Redlands.

Enjoy!

Hello from the Student Orientation Coordinators

On behalf of all the Orientation Leaders (OLs) and Johnston O-staff, the team of Coordinators would like to welcome you to the University of Redlands and the start of the rest of your life as a Bulldog. Our goal during Orientation is to welcome new students and their families, and begin the process of integrating new students into the University’s intellectual, cultural, social, and personal opportunities. The Orientation Leaders and O-staff will guide and support you as you begin to find your own place within the University community. This week is all about new students having fun, meeting new people, and becoming a part of the Redlands family. The Orientation Team is here to serve YOU!

If you have a question or need help with something throughout the week, we are here for you. There is also a Student Hub on the second floor of the Hunsaker University Center (Hunsaker) in the Student Leadership and Involvement Center (SLIC) office area where OLs and others will be available to assist you. Hunsaker is directly across from the Irvine Commons (dining hall). Near the fountain, on the south of the building, are stairs that directly lead into the Student Hub (SLIC).

We will be available at the times listed here:

ON CAMPUS DINING

All meals for residential and off-campus students are covered during Orientation. Your student ID card will be used to gain access to all meals.

Meals, beverages, desserts and side dishes in Irvine Commons all have à la carte pricing. Simply choose which menu item you are craving, order from the Bon Appétit server, and hand your ID card to the cashier for payment. Your ID card comes with a balance of Dining Dollars to get you through the end of Orientation Week (dinner on Monday, September 5). Be sure to budget your Dining Dollars so that you do not run out early! Dining hours will vary slightly from day to day through Orientation Week due to the needs of early arrival groups. Exact operating hours will be posted at the Irvine Commons entrance.

Meal Plan Dining
University meal plans begin with the start of classes on Tuesday, September 6. That morning, you will receive your meal plan Dining Dollars for the fall semester based on the meal plan you have chosen. University of Redlands meal plans are based on a retail, declining balance system. This plan was designed with community, value, sustainability and flexibility in mind. Students may use their Dining Dollars wherever or whenever they wish, including to purchase meals for other students and/or guests. Students will control the balance of their meal plan account by purchasing meals as they see fit. Dining Dollars are funds held in each student’s personal account and are accessible for retail priced menu items whenever any of the dining areas are open. Dining Dollars are distributed twice each year, at the beginning of the fall semester and at the beginning of spring and are allotted to fund your meal purchases through the fall, spring and May Term sessions.

Pacing Yourself
One of the most challenging and educational aspects of a declining balance dining plan is learning how to pace your spending over the entire semester. Your initial balance seems like a lot of money, and it’s easy to lose track of your purchases since using your Dining Dollars is a cashless system.

How to Pace Yourself
Review the receipt given to you whenever you make a purchase using your Dining Dollar account. This will give you an immediate, up-to-date balance of how much you have left. Each day we will post a chart showing daily “on-pace” balances for the day. Just compare the pace chart recommended balance for your meal plan to the actual balance on your register receipt.

Dining Dollar Forfeiture
Declining Credit Balance (DCB) dollars are never refundable and have no cash value. Although DCB dollars will carry over from one semester to the next, including May Term (see above), it is the student’s responsibility to manage their DCB dollars appropriately. All DCB dollars remaining at the end of each academic year are forfeited. Students who permanently withdraw from the University forfeit any remaining DCB dollars. The effective date of withdrawal is determined by the date used by Student Life during the Exit Interview.

How to Change Your Meal Plan
Meal plan changes are allowed until the second Friday of the fall and spring semesters. You may elect to change your meal plan through the Student Life portal in myRedlands where you selected initially or by visiting the Student Life Office by Friday, September 16.

Special Diets
We’ll be happy to work with any student whose physician requests special dietary consideration. Just make arrangements through the Student Development Center on the west side of the library (909-948-8069) or Student Health Center behind the Memorial Chapel (909-748-8021) and a manager will meet with you to discuss your needs. Vegan, vegetarian and made-without-gluten options will be available at each meal.
