What you need to know about your
responsibilities living off campus

Four Year Residential Campus

- ❧ The University of Redlands requires students to live on campus all four years.
 - ❧ Residential education is part of the original mission and vision of the University
 - ❧ Research shows better academic outcomes for students who live on campus

- ❧ Permission to live off-campus is a privilege and not a right.

What changes if I live off campus?

❧ Loss of certain services:

- ❧ Security - Public Safety cannot respond to problems at your off-campus residence (unless Redlands Police requests their assistance). Response times for Redlands Police are typically much longer than Public Safety.
- ❧ Convenience - The university does not provide shuttle service to off-campus residences.

❧ Increase in your liability:

- ❧ Responsible for your own safety in your home and commuting to and from the University
- ❧ You are potentially liable for accidents or harm to others in your off-campus residence

Your Responsibilities

- ❧ *Renter's Insurance* - In the event of theft or property damage, you will want this!
- ❧ Security - keep your doors locked at all times and don't keep valuables in plain sight in your car.
- ❧ Bills - plan accordingly for all expenses
- ❧ Lease - read your lease carefully and **do not sign a lease until you have received written off-campus approval.**
- ❧ Housemates - may not get approved, cause disagreements, and bail on you.

Be a Good Citizen and Neighbor

- ❧ Attempt this more than once
- ❧ Provide information in writing if you cannot make face-to-face contact
- ❧ Provide names and cell phone #s
- ❧ Find out what time your neighbors want noise “off” by
- ❧ Notify your neighbors in advance of any event that may be noticeable to them.
 - ❧ Make sure your guests leaving don't leave trash, are quiet, and don't “hang out” in the neighborhood
 - ❧ Don't monopolize street parking

Neighbor Relations

- ❧ Your neighbors may have lived there for years
 - ❧ House history...bad reputations may precede your living there
- ❧ If they call you about noise, honor their requests
- ❧ Maintain relationships
 - ❧ Say hello
 - ❧ Don't just stop by once
 - ❧ Be proactive if there are problems
- ❧ Perception is important!
 - ❧ Maintain your yard and pick-up trash
 - ❧ Behavior in/around house – rude guests, profanity, nudity, drugs, noise, excessive traffic, parking issues, etc.

What if there are problems?

- ❧ Be polite and friendly always take “the high road” when there is a disagreement or confrontation
- ❧ The only thing any renter or property owner is entitled to by law is: “quiet enjoyment of the property.”
- ❧ Bad relationships with your neighbors can result in a very unpleasant living situation.

Criminal Liability

- ❧ Possession and consumption of alcohol by persons under 21 are both crimes.
- ❧ Providing alcohol to someone under 21 is a crime.
- ❧ Providing alcohol to someone who is already intoxicated is a crime.
- ❧ Providing a place for underage persons to drink is a crime.
- ❧ Noise Ordinance

Social Host Ordinance

- ❧ Allows police in the city of Redlands to:
 - ❧ Cite underage people for *consuming* alcohol (not just possession)
 - ❧ Cite any person who provides a place for underage people to access alcohol

- ❧ So at a party, police can cite underage persons who have consumed any alcohol, as well as the hosts of the party
 - ❧ Penalty includes: \$100-\$500 fines, plus cost of response, which can be in the thousands

Myths and Facts

❧ *MYTH:* Quiet hours in the City of Redlands start at 10:00pm.

❧ *FACT:* The City of Redlands has a **24 hour** noise ordinance. Quiet hours do not “start” at any given time, they are all day, every day.

❧ *MYTH:* I will get in less trouble with the University if I live off campus.

❧ *FACT:* Redlands Police flag houses that are occupied by University students and communicate any problems or violations to the University.

Civil Liability

- ❧ Laws differ from state to state, but hosts bear some civil liability if someone consumes alcohol at the party and then hurts themselves or someone else (or damages property, etc.)
- ❧ In the case of college students, awards are most often collected from parents' assets.
- ❧ **California Law prohibits families from declaring bankruptcy when assets are sought for criminal offenses.**

Thinking about Parties

- ❧ Invite a manageable number of guests.
 - ❧ Everyone should fit in the space you have – not in the driveway or neighbor's yard.
 - ❧ Tell everyone you invite to not text your address to others!

- ❧ Monitor all entrances to ensure no uninvited guests gain access

- ❧ Tell your neighbors you are having a party and encourage them to contact you **FIRST** if there is a problem.
 - ❧ Leave your name(s) and number(s) and make sure to keep your phone with you during the party in case there are calls

Thinking about Parties

- ❧ Know your guests.
 - ❧ Turn away those you do not know and those who are already intoxicated.
 - ❧ You are legally responsible for the actions of everyone at the party.

- ❧ Keep the noise down!
 - ❧ If your party is too loud, police are more likely to show up.
 - ❧ Keep windows closed and periodically walk around the outside of your apartment/house to check the noise level.

Thinking about Parties

- ❧ Provide non-alcoholic drinks and food for your party guests so things don't get too out of hand.
- ❧ Designate sober party hosts to keep tabs on noise, the number of guests, and other potential problems.
- ❧ Have an adequate number of trash receptacles and recycling containers available during the event.
 - ❧ Clean up any trash as soon as your party is over.
 - ❧ Make sure guests don't leave with drinks - they often end up in your neighbors yards!

Managing Parties

- ❧ “What you permit, you promote”

- ❧ Be ahead of the game
 - ❧ Address issues **before** they become problems
 - ❧ Deny entrance to incoming guests **before** party is overcrowded and out of control

- ❧ If the party gets too big/out of control
 - ❧ Do not try to just ask certain people to leave. It won't work.
 - ❧ Call the police yourself - does not guarantee immunity, but is better than waiting for the situation to get worse

Managing Parties

❧ Secondary effects

- ❧ Even people you turn away from your parties cause problems for your neighbors
- ❧ The behavior of your guests when they leave - noise, litter, vandalism, etc.

❧ Remember...we always find out

- ❧ Organizational parties
- ❧ Athletic houses
- ❧ Fratican, Meatlocker, etc.

 - ❧ Social host violation (can happen at first contact)
 - ❧ Warning
 - ❧ First Party Response
 - ❧ Second Party Response – fine up to \$1000, plus cost of response

If Redlands Police Responds...

- ❧ Why does Public Safety sometimes show up when RPD is already on scene?
 - ❧ Because RPD has called and asked for their assistance if your house has been identified as students of the U of R.
- ❧ ANY police presence at your house can result in a conduct issue
