Allies & Emergency Contacts

Search for friends. Create allies and emergency contacts to coordinate alerts and locations with.

Emergency Alert

Instantly broadcast GPS location alerts to your emergency contacts or campus security.

Geo-Timer

Set a destination and time of arrival. Instantly alert emergency contacts if you don't arrive on time.

Geo-Link

Set a radius and link your app with allies to avoid getting separated.

Safe Zone

Set an area to stay within. Instantly alert emergency contacts if you leave unexpectedly.

Guardian Angel & Watch An Ally

Share or watch GPS locations with 1 or more allies.

Campus Security Connect

Instantly share anonymous tips, photos, videos, GPS locations and more with campus security.
