THE MAJOR

The major consists of 48 credits. Race and Ethnic Studies is an interdisciplinary and multi-disciplinary field of study. Requirements for the major are met through Race and Ethnic Studies (REST) courses, cross-listed, concentration, and negotiable courses in other departments and programs. The major includes a foundation of core courses, a flexible area of emphasis where students pursue depth and concentration of knowledge in an area of their choice, breadth courses, and a capstone experience to integrate their studies.

Learning outcomes for this program may be found at www.redlands.edu/BA-REST/learning-outcomes.

BACHELOR OF ARTS

CORE REQUIREMENTS: 2 courses/ 8 credits

- REST 120 Introduction to Race and Ethnic Studies (4)—An overview of the field, looking at the experiences of major race and ethnic groups in the United States through interdisciplinary lenses.
- REST 351 Race Theory (4)—Examines key theoretical perspectives in REST, with the goal of helping students develop the reading, analytic and writing skills needed to understand theory and how it can be applied to issues of race and ethnicity.

AREA OF EMPHASIS: 5 courses minimum/ 20 credits

Majors must construct, in consultation with faculty and the director, an area of emphasis designed to develop depth and concentration of knowledge. Must include at least one REST methods course or other methods course appropriate to the area of emphasis.

All areas of emphasis and their course lists must be approved by the director.

BREADTH COURSES: 4 courses minimum/ 16 credits

Majors, in consultation with faculty and the director, must take four courses selected to complement the area of emphasis.

CAPSTONE COURSES: 2 courses/ 4–6 credits

-- REST 401 Senior Capstone I: Project Design (2)

-- REST 402 Senior Capstone II: Project Implementation (2–4)

Students should enroll in REST 401 in the first semester of their senior year. This 2-credit course will bring together all graduating majors and will be an opportunity to develop both common understanding of REST and individual senior projects tied to areas of emphasis. In the second semester, students will enroll in REST 402 and work independently under the supervision of seminar faculty and faculty advisors to complete their senior project.

THE MINOR

6 courses minimum/ 24 credits

The minor consists of 24 credits. Students are required to take REST 120 Introduction to Race and Ethnic Studies (4). To ensure an interdisciplinary focus, students must select courses from two or more departments.

REGISTRATION INFORMATION

Each semester during registration, the Race and Ethnic Studies Program provides a current list of the REST concentration courses for the coming term. Because new courses (particularly Johnston courses and special topics courses in various departments) are likely to be added, this list will always have the most current course offerings. The current REST course list is posted on the Race and Ethnic Studies bulletin board in Larsen Hall, distributed to faculty advisors, and available from the director.
