THE UNDERGRADUATE PROGRAM

The University of Redlands School of Music is an accredited institutional member of the National Association of Schools of Music and its requirements for entrance and graduation comply with the standards of this accrediting organization.

Learning outcomes for School of Music programs may be found at www.redlands.edu/BA-MUS/learning-outcomes.

BACHELOR OF MUSIC

The Bachelor of Music degree is an intensive pre-professional program with majors in Performance, Composition, and Music Education. The degree is intended for students who seek a concentrated focus in music with the intention of pursuing a career in performance, composition, or teaching. The performance major is available in voice, piano, organ, violin, viola, cello, double bass, classical guitar, jazz/studio guitar, harp, flute, oboe, clarinet, bassoon, saxophone, horn, trumpet, trombone/euphonium, tuba, and percussion.

ENTRANCE REQUIREMENTS

Applicants for all bachelor of music degrees must pass an entrance audition. This audition may be performed before entering the University as part of the admissions process, or while the student is in residence, preferably no later than the end of the second semester of full-time study. Students in residence or living within 200 miles of Redlands are expected to audition in person; others may submit a good quality recording. Whether executed in person or by recording, the audition should last no more than 15 minutes. Although no specific repertory is demanded, the audition material should demonstrate the applicant's musical and technical ability and should, if possible, be drawn from two or more historical or style periods. Prospective composition majors should submit copies of one or two recent scores, and recordings when available, directly to the School of Music as part of the application process, in addition to an audition in a specialized performance area.

All University of Redlands students may enroll in music courses, provided they meet the prerequisites.

ENTERING VOCAL PROFICIENCY LEVELS

Vocalists who are applying for admission and applied lessons have generally had two or more years of private vocal study and previous solo experience. As a result of the entering vocal auditions, students will be placed in one of these levels: Voice Class, Minor in Voice, B.A. in Voice, or B.M. in Voice.

ADVANCED PLACEMENT IN MUSIC

Music Theory: Students who earn a score of five on the Advanced Placement Test receive 2 credits for MUS 101 Theory I. For all other students who wish to apply for advanced standing in theory, a placement examination is given during New Student Week.

INTERNATIONAL BACCALAUREATE IN MUSIC

Students who earn a score of 5 or higher will be awarded credit for MUS 100.

GRADUATION REQUIREMENTS FOR THE BACHELOR OF MUSIC

GENERAL EDUCATION REQUIREMENTS FOR THE BACHELOR OF MUSIC

Each student in the Bachelor of Music degree must complete 30 course credits outside the School of Music that will provide a broad education. The College is transitioning from the Liberal Arts Foundations to Liberal Arts Inquiry general education requirements. Entering first-year and transfer students who are entering the University with less than 32 credits will meet their general education requirements by completing the LAI. Continuing students, transfer students, and readmitted students who are enrolling in the University with 64 credits or more in the 2019/2020 school year, or 96 credits in the 2020/2021 school year will meet their general education requirements by completing the LAF. This will hold true even if a student declares a new major that did not exist prior to the implementation of the LAI or chooses to meet major requirements for the catalog year they graduate.

LIBERAL ARTS FOUNDATION (LAF) REQUIREMENTS

First-Year Seminar – 4 credits

Writing across the Curriculum – 0-8 credits Freshman year, Junior or Senior year

Community Service Activity – 3 credits

Each Bachelor of Music major must successfully complete courses outside of music in at least four of the following Liberal Arts Foundation categories.

For detailed information about each category, see the Liberal Arts Foundation descriptions in the Arts and Sciences Graduation Requirements section of this Catalog.

- Cross-Cultural Studies (CC)
- Dominance and Difference (DD)
- Foreign Language (FL)(at the second-semester college level or higher)
- Human Behavior (HB)
- Humanities Literature (HL) OR Humanities Philosophy (HP)
- Mathematics and Science (MS)
- State and Economy (SE)

The remaining non-music courses needed to bring the total to 30 credits may be chosen from any department.

LIBERAL ARTS INQUIRY (LAI) REQUIREMENTS

First-Year Seminar – 4 credits

Research and Communication – Writing Foundation (WF) course and courses that provide the Research and Information & Media Literacy (WR/IMLI), Writing in the Discipline (WD), Advanced Information and Media Literacy (IMLA), and Oral Communication (OC) embedded experiences.

Community Engagement & Reflection – 3 credits

Each Bachelor of Music major must successfully complete courses in at least 4 of the Areas of Inquiry and Practices listed below, at least two of which must be in one of the three practices.

For detailed information about each category, see the Liberal Arts Inquiry descriptions in the Arts and Sciences Graduation Requirements section of this Catalog.

- Humanities Practices (H)
- Natural Scientific Practices (NS)

- Social Scientific Practices (SS)
- Analyzing Perspectives and Worldviews (APW)
- Evaluating Self in Society (ESS)
- Critiquing Power and Inequalities (CPI)
- Thinking Globally (TG)

The remaining non-music courses needed to bring the total to 30 credits may be chosen from any department.

MULTIPLE MAJORS

Students in the Bachelor of Music degree have the flexibility to complete a second major or minor in another department in the College of Arts and Sciences. Students with multiple majors will designate a first/primary major and follow the requirements of that major's degree. Students with multiple majors who designate a first/primary as performance, music education or composition major follow the degree requirements for the Bachelor of Music. Students with two majors receive only one degree; in this case the Bachelor of Music degree. One or more additional majors may be selected, whether in the same degree or not. Specific requirements for each major(s) must be met. Because this is not a dual-degree program, it is normally completed in four years.

DOUBLE-DEGREE PROGRAM: BACHELOR OF MUSIC AND BACHELOR OF ARTS OR BACHELOR OF SCIENCE

The double-degree program is a five-year course of study where students can pursue pre-professional studies in music as well as a liberal arts degree within the College of Arts and Sciences. Upon completing the program, students are awarded both the Bachelor of Music and a Bachelor of Arts or Bachelor of Science degree.

ADMISSION REQUIREMENTS

Students must be accepted for study in the College of Arts and Sciences and in the School of Music's Bachelor of Music program. Students may not select the Bachelor of Arts in Music and Bachelor of Music as their double-degree program. The second degree must be in a different discipline.

COURSEWORK

- A minimum of 158 hours is required for graduation.
- Completion of all requirements for the major in each degree program.
- Fulfillment of all the requirements for the Liberal Arts Inquiry as specified for the Bachelors of Arts or the Bachelor of Science degree.

DECLARATION OF DOUBLE-DEGREE AND FIFTH-YEAR ELIGIBILITY

Students need to declare their double-degree majors before the end of the fifth semester. In order to be eligible for the fifth year, students must show the completion of sufficient coursework to justify timely completion of both degrees.

ADVISING

Completing the double-degree program requires careful planning. Students are required to have advisors in each major field and to meet regularly with their advisors to maintain a five-year plan of study.

DISCLAIMER ON FINANCIAL AID

Students should be aware of the financial aid implications of this course of study. External funding by federal sources may be subject to eligibility requirements, which may preclude support for a fifth year of study. Funding from the State of California is not available for the fifth year. Consult with Student Financial Services before pursuing the double-degree program.

SINGLE-SUBJECT TEACHING CREDENTIAL

Students interested in teaching music at the elementary and/or secondary level need to complete a Single-Subject Preliminary Teacher Credential Program in addition to finishing their baccalaureate degree. The courses taken in the Music Education major satisfy the Single-Subject Content Competency requirement for the Preliminary Teacher Credential; students who have not taken the Music Education major must pass the PRAXIS, SSAT, or CSET standardized examination for music to demonstrate content competency.

Students should consult with the music education advisor about their major and degree requirements. Students also need to contact the School of Education’s faculty advisor for undergraduate students to discuss information about undergraduate and post-baccalaureate teacher credential programs. Please refer to the School of Education section of this Catalog for further information about the Preliminary Single-Subject Teacher Credential.

BACHELOR OF ARTS WITH A MAJOR IN MUSIC

This degree is intended for students who seek to include musical studies in the broad context of a liberal arts education. Studies in music comprise roughly one-third of the degree. THE MINOR IN MUSIC

The music minor is designed to encourage the development of competence in a specific area of music. It is intended for those students who are majoring in an area outside of music, but who may have been actively involved in musical activities in high school, have musical talent, enjoy listening to and/or performing music, or simply wish to continue their musical studies.

Prospective minors must complete the Declaration of Major/Minor form as soon as possible in order to avoid music fees; approval of the Director of the School of Music is also required. Students are encouraged to seek out a music faculty member to serve as a minor advisor. Other than MUS 110, Recital Repertory Class, and MUSI 124, Introduction to Voice, no course for the minor may be taken for credit/no credit.

Students must declare their desire to minor in music prior to the beginning of their junior year. Contact the Director of Music Admissions for assistance at music@redlands.edu or (909) 748-8014.

REQUIREMENTS FOR THE MINOR PROGRAM

MINOR IN INSTRUMENTAL OR VOCAL MUSIC

This minor is for students seeking to improve their facility on an instrument or voice. A performance audition is required of applicants to this program. Admission is primarily based on classical performance ability. To minor in an instrument or voice, a student must demonstrate a sufficient proficiency level. Two selections from the standard repertoire of their primary instrument or voice should be prepared for

the audition. To schedule an audition or for further information, contact the Director of Music Admissions in the School of Music at music@redlands.edu or (909) 748-8014.

Singers may also audition for applied lessons, which will be offered if Vocal Proficiency Guidelines are met (see heading above) and if studio openings exist.

Note: MUS 101A may be substituted for MUS 116 and MUS 117

**The Liberal Studies Major seeking a multiple-subject credential should take MUS 118 Music for the Classroom Teacher as an elective.

MUSIC SCHOLARSHIP AWARDS

Music Scholarship Awards enable the School of Music to assist outstanding undergraduate applicants who demonstrate—through live or recorded audition, or by other evidence—excellence in preparation, as well as potential for unusual growth in music performance or other specialty areas. Scholarships are automatically renewed each year (up to a maximum of four years) if the student maintains a sound academic record and meets all other University scholarship criteria. Applications are available from the Director of Music Admissions.

In addition to meeting general University requirements for scholarship holders, recipients of talent awards and other School of Music scholarships are required to: participate in the appropriate conducted ensemble each semester, or accompany selected soloists and ensembles (if the major instrument is piano or organ); complete at least one credit of private instruction each semester on the major instrument or voice; maintain a cumulative grade point average of 3.0 or higher; and perform as soloists or ensemble musicians on special occasions as requested by the Director of the School of Music.

PERFORMANCE

Music majors and other qualified University students registered for private lessons may participate in solo and chamber music recitals and concerts as often as they and their private teachers deem desirable.

All students taking private lessons are required to appear in regularly scheduled performance classes. Such students are expected to perform in recital as often as the private instructor requires.

Subject to audition, full-time music majors are required to register and participate in an appropriate conducted ensemble each semester in residence. The ensemble assignment is made according to the student's primary or secondary performance area.

APPROPRIATE ENSEMBLES INCLUDE

- Wind or percussion: Wind Ensemble, Symphonic Band, and/or Orchestra
- Strings: Orchestra
- Singers: University Choir, Chapel Singers or Bel Canto
- Harp, guitar and keyboard majors either play parts in conducted ensembles or perform in a secondary area.

Performance in off-campus organizations and ensembles is permitted as long as such participation does not conflict with scheduled rehearsals or performances of University organizations or ensembles. Music majors must perform in appropriate conducted ensembles when the Director of the School of Music for a specific concert or event requests their participation.

Music majors whose work has resulted in outstanding scholarship and performance are eligible during their junior or senior year for election to membership in Pi Kappa Lambda, the national music honorary society. Students become eligible for membership during the junior year. The School of Music also has active chapters of Phi Mu Alpha Sinfonia, the national professional music fraternity, and Sigma Alpha Iota, the national professional music sorority.

DEPARTMENTAL HONORS

A departmental honors program is available for exceptionally able and motivated students. After consultation with a faculty advisor, interested students should initiate their own applications by submitting a written proposal to the Director of the School of Music in the last semester of the junior year. Approval is determined by an affirmative vote of the music faculty. Projects may include public performances or lecture presentations and are normally accompanied by extensive research culminating in a formal paper. Students are evaluated by a committee of two full-time music faculty chosen by the student, as well as the Director of the School of Music, in a final one-hour oral examination. Students may choose an additional examiner from outside the School of Music. Projects normally will not require additional coursework other than that required for graduation. Applicants must have a minimum grade point average of 3.50. Also see the Graduation with Honors section of the Awards and Honors chapter of this Catalog.

STUDY AWAY

The University offers a variety of study away opportunities for music majors as part of the Salzburg Semester offerings. (See more detailed information in the Study Away section of this Catalog.) The IES Program in Vienna has also proved to be popular for those who are proficient in German. The decision to study away must be made early on in a student's course of study and with the assistance of the faculty advisor. Failure to carefully work out a course of study may result in the necessity of taking a ninth semester in order to graduate. In some cases, it might be impossible to construct an eight-semester program—particularly if the student is enrolled in the B.M. in Music Education. Indeed, the School of Music cannot guarantee an eight-semester course of study to anyone who elects to take part in a Study Away program.

PERFORMANCE STUDIES

Private Lessons. Performance majors usually register for 3 credits each semester (one one-hour lesson per week) and Music Education majors usually register for 2 credits each semester (one 45 minute lesson per week). General University students usually register for 1 credit per semester (one 30-minute lesson per week). Private lessons begin during the second full week of classes.

Juries. Final examinations in performance are required of all students who take private instruction for evaluation or a grade. All students who enroll in performance studies for a grade are required to attend a regularly scheduled performance class and participate in a major conducted ensemble during the semester of enrollment.

Chamber Music. All bachelor of music and bachelor of arts students who choose the recital option are required to perform chamber music during their degree recitals. Ensembles should be varied in size and nature. The pre-recital jury committee determines the appropriateness of the selected chamber works and approves them when the recital repertoire is approved.

Pre-recital Jury Examinations. Students presenting required recitals, students presenting a full or partial recital to fulfill the senior project requirement in the bachelor of arts program, and any other students recommended to do so by their private instructor must present a pre-recital jury examination. In the semester prior to the scheduled recital, students must bring a list of their proposed recital repertory to the area jury for approval. Students studying abroad must present their proposed program to the performance studies chairman during the first week of the semester following the student's return. The pre-recital jury examination must be presented at least four weeks, and no sooner than eight weeks, before the scheduled recital date.

The pre-recital jury will consist of the private teacher and one or more additional faculty member(s) approved by the private teacher. At least one member of the pre-recital jury must be a full-time faculty member. At the examination, the student must be prepared to perform the entire recital at final performance level, including memorization, if required. All those who will participate in the recital must perform at the pre-recital examination. In the case of composition recitals, all scores and parts must be available for examination, and at least half of the works must be performed.

If the pre-recital jury examination is not approved, the student may not present the recital until a subsequent semester. Pre-recital jury examinations and all required recitals must take place when classes are in session during the regular academic year.

With the approvals of the private teacher, the performance studies chair, and the Director of the School of Music, the pre-recital jury examination may be waived for composition majors only.

MUS 299 UPPER-DIVISION QUALIFYING JURY EXAMINATION.

Bachelor of music majors in performance, composition, and music education must pass the upper-division qualifying Jury Examination to register for private instruction as a junior or senior music major. These examinations will be scheduled at 15-minute intervals, and each student will be expected to perform for at least 12 minutes. Upper-division Qualifying Jury Examinations will normally be taken at

the end of the Spring semester of the sophomore year. A student who fails the Upper-division Qualifying Jury Examination will be denied permission to continue in the current major. Music Education students must also show evidence of a 2.75 cumulative undergraduate GPA or approved petition by the end of their sophomore year in order to continue in the program.

Wind Ensemble—MUSI 138/ MUSI 638

Symphonic Band — MUSI 140/ MUSI 640

University of Redlands Symphony Orchestra— MUSI 131/ MUSI 631

REDLANDS SYMPHONY ORCHESTRA

Students who exhibit outstanding performing ability may be invited to audition for participation in the Redlands Symphony Orchestra. Auditions are held during MUS 110 Recital Repertory Class at the beginning of each term.

GENERAL ENSEMBLE SYLLABUS

The following, combined with an addendum syllabus which may be provided for each specific ensemble, constitutes the official syllabus for all major ensembles. Students must register for 0 or 1 unit for any ensemble in which they participate. Grading will be numeric.

Any member of a wind/percussion ensemble or orchestra may be required to participate in the Feast of Lights (Fall semester) or the opera or musical theatre production (Spring semester). Assignments to these productions are posted no later than the beginning of the third week of classes. Dates for rehearsals and performances are made available at the beginning of each semester.

All students participating in an ensemble must meet the following requirements to receive credit for the course:

1. Attend all rehearsals and concerts and be in place ready to participate at the designated times. Do not accept outside activities during the semester which conflict with scheduled rehearsals and concerts.
2. Come to rehearsals and performances adequately prepared. Inadequate preparation, as determined by the conductor, will result in a lowered grade.
3. All students should review the School of Music Student Handbook found on the School of Music web page for information on procedures, policies, and protecting their health and safety.

In order to maintain acceptable standards of performance and the integrity of the ensembles, no unexcused absences will be permitted. The Ensemble Excuse Committee will determine whether an absence is excused or not. Please see the Ensemble Excuse Policy in the School of Music Handbook and ensemble syllabi.

GPA REQUIREMENT FOR MAJOR ENSEMBLE PARTICIPATION

Music major participation in major ensembles will be determined by the grade point average (GPA) earned in the immediately preceding semester according to the following system:

Status	Ensemble(s)
First Year	two or fewer
Transfers	two or fewer
2.49 or less	one
2.5-2.99	two
3.0 or above	two or more

The School of Music also offers small ensembles. They include:

Small ensemble (one-on-a-part) experiences are available each semester. Participation without registering is subject to the approval of the instructor. Chamber ensembles normally meet twice per week. At least one of the meetings will be with an instructor-coach. Students are encouraged to form their own groups from among their friends and colleagues. Well-rehearsed ensembles are often able to earn additional income through outside performances.

THE MAJOR IN PEDAGOGY

The M.M. in Pedagogy is a graduate degree program tailored for the 21st-century private studio teacher. Practical experience in teaching is integrated with pedagogy coursework. Faculty feedback in workshops and applied teaching sessions provide individualized mentoring for maximum professional growth.

This degree specifically focuses on the students' primary performance area and on studio (not classroom) teaching. The MM in Pedagogy is offered in piano, voice, and strings.

The MM in Pedagogy is designed to prepare students to be successful studio teachers, with the skills needed to develop, market, and maintain a private teaching studio of their own. Through the applied pedagogy courses, students will gain valuable teaching experience with clients from diverse backgrounds and ability levels.

FINAL EXAMINATION

Each major program requires that the student pass a final examination given by the student's graduate committee. The examination normally covers the literature of the major, the thesis (if applicable), and the repertoire of the recital(s). The student should also demonstrate graduate level competence in music theory, music history, general literature, and scholarship.

TRANSFER CREDIT

A maximum of 6 credits of graduate credit completed at another regionally accredited institution within the previous six years may count toward the master of music, subject to approval by the Graduate Studies Coordinator.

DIAGNOSTIC ENTRANCE EXAMINATIONS

Preceding the first semester of study, entering students must take a diagnostic examination in music theory, aural musicianship, and literature. This test covers knowledge equivalent to the expectations of graduates of the University of Redlands bachelor of music program. Areas of weakness identified through this examination must be strengthened through enrollment in MUS X06 or appropriate undergraduate courses.

GRADUATE ASSISTANTSHIPS

The application for a graduate assistantship is part of the Application for Admission to Graduate Study. Assistantships are awarded in a wide variety of areas including, but not limited to, teaching, accompanying, ensemble assistance, concert management, and recording.

SPECIAL REGULATIONS MASTER OF MUSIC PERFORMANCE

Students in performance must register for a minimum of 3 credits of private instruction on the major instrument/voice during the semester in which a required graduate recital is presented. All majors (except keyboard and voice—see the following) are expected to earn 4 credits in an appropriate School of Music major conducted ensemble unless the normal assignment is waived or reassigned by petition to the music faculty. The normal appropriate major conducted ensembles are: MUSI 611 University Choir (vocal majors), MUSI 612 Chapel Singers, MUSI 614 Bel Canto, MUSI 638 Wind Ensemble (wind and percussion majors), MUSI 631 University of Redlands Symphony Orchestra (string majors), and MUSI 640 Symphonic Band. Guitarists will be assigned according to their secondary interests. Keyboard majors are required to enroll in MUS 611 Accompanying for up to 4 credits as required by the degree instead of a major conducted ensemble. In addition, vocal majors may elect to take 4 credits in MUSI 610 Opera Workshop in lieu of a major conducted ensemble.

At least four weeks prior to each required performance recital, the complete proposed repertoire must be performed for the candidate's committee at a pre-recital evaluation jury. In the case of composition recitals, all scores and parts must be available for examination and at least half of the works must be performed for the committee. At the completion of the evaluation, the committee will notify the candidate whether the recital may be given as scheduled. Completed, typed, and edited program notes must be presented to the committee for approval at the time of the pre-recital evaluation. All printed recital programs must contain approved program notes. Verbal commentary at recitals is not permitted.

THE MAJOR IN VOCAL CHAMBER MUSIC

ADMISSION

Students will be required to have completed a Bachelor's degree in music, preferably with a choral performance focus, and must have experience of ensemble singing at a collegiate level. It is essential that they have excellent sight-reading ability, a firm grounding in music theory, and a proven ability to hold their own musical line within an ensemble. Students should also have knowledge of an interest in choral music throughout the ages. All students must pass an entrance audition, which will encompass both solo and ensemble singing and must be taken in person. Solo material should be taken from at least two historical periods and should demonstrate technical ability as well as general musicianship and interpretation skills.

AUDITION

This two year master's program will enroll 8 singers per cohort. Pre-screening material is due December 1st of the year before beginning the program, and can be uploaded online. The required repertoire for pre-screening is four contrasting pieces, in four different languages, representing both operatic and song repertoire. Successful pre-screened candidates will be invited to an audition day during the spring semester of the year in which they plan to begin studies. Candidates invited for a live audition will prepare the following:

1. 30 minutes of memorized material from which the audition panel will select specific repertoire. It is encouraged that candidates prepare an aria with significant recitative. Pieces should include works in English, French, German and Italian. It is suggested that candidates prepare the following: 1 opera aria, 1 oratorio aria, 1 aria of choice, 2 mélodies, 2 lied, 1 song post-1960 and 1 song of choice. Solo pieces must be performed from memory. An accompanist will be provided for solo repertoire.
2. Three assigned choral works to be chosen by the faculty panel. During the audition, candidates will be assigned to quartets and octets where they will rehearse with other candidates in preparation for a chamber component of the audition. Ensemble pieces should NOT be memorized as this will inhibit the rehearsal aspect of the audition. Please bring score and pencils for this part of the audition.
3. An unseen sight-singing piece will be provided 10 minutes prior to the audition.
