### PLACEMENT IN GERMAN

Entering students with previous experience in German must take the German placement exam before enrolling in a German-language course.

### COURSE SEQUENCING

Courses must be taken in the correct sequence (i.e., GRMN 101, GRMN 102, GRMN 201, GRMN 202, GRMN 301, GRMN 302). While a student might enter the sequence at a level beyond GRMN 101, no student subsequently can receive credit for a course lower in the sequence than the highest numbered course already completed. This regulation applies only to language courses, not to civilization and literature courses beyond GRMN 302.

### THIRD-YEAR LEVEL STUDENTS

Students entering above GRMN 202 will first complete the GRMN 301–GRMN 302 sequence. Those who begin at the third-year level (GRMN 301–302) are exempt from 8 credits of the major or minor program requirements. These exempted credits will not apply to the total credits required for graduation.

### ADVANCED PLACEMENT IN GERMAN

Students who score a three receive 4 credits for GRMN 201; those who score a four or five receive 8 credits for GRMN 201 and GRMN 202.

### DEPARTMENTAL HONORS

Students in German will be awarded honors upon passing the appropriate examination of the Goethe Institute of the Federal Republic of Germany. An internationally recognized diploma will be issued by the Goethe Institute upon successful completion of all requirements.

### SINGLE-SUBJECT TEACHING CREDENTIAL

The German Department is currently in the process of applying for approval by the State of California Commission on Teacher Credentialing of its teacher preparation program. Until approval is granted, students must pass the PRAXIS and Secondary School Admission Test (SSAT) exams. Once the program is approved, the PRAXIS and SSAT exams will not be required for those who successfully complete the approved program. Students who wish to be certified to teach German should meet with an advisor in the German Department for guidance and information. Most students complete the teacher preparation program, including student teaching, during a fifth year after graduation.
