

# Wellness Substance-free Floor

## Melrose Hall Basement Floor

**Thank you for your interest in being a community member on the Wellness Floor, located on the basement floor of Melrose Hall. The Wellness Floor is for students interested in a substance-free and wellness-oriented lifestyle. Students living on this floor will participate in special programming and activities tailored to wellness. Activities will be planned by community members during times when substance use is high, such as on weekend nights. Those living in this location agree not to possess or return to the community having consumed alcohol or other substances.**

### University Policies:

- Students are responsible for reading and understanding all details of the [Room and Board Contract](#) and [Code of Community Standards](#) before continuing. Please review these thoroughly, as completing this application indicates a student will uphold all information included in the publications and below.

### Consider Before Applying:

- All students are required to live on-campus with a meal plan during their entire time as a CAS undergraduate student at the University of Redlands.
- **By applying for this community, students understand and agree to abide by the following:**
  - I agree to not use or possess any alcohol, marijuana, tobacco/nicotine, or other drugs in the community at any time.
  - I agree to not return to the community under the influence of any drugs or allow any alcohol or drug-related behavior to impact the community.
  - I understand that any guests I invite to the community must comply with the conditions of this agreement. I also understand that I can be held responsible for the actions of my guests should they be disruptive or violate the conditions of living in the community.
  - I understand that residents share in the responsibility within the community for upholding the expectations of this agreement.
  - I understand I will be administratively relocated from the community to a different residence hall if I fail to abide this agreement.
- If more students apply than can be housed, the student-led steering committee will make determinations on placements based on applicants' answers to the questions below.
- If you are not selected for the community, you must continue to participate in the Housing Selection and Placement Process during May to select a room.
- In the event there are too few students for the Wellness Floor, the community will not be created.

### Application:

- Please answer the following questions fully, yet succinctly, in a Word document to be attached as a .pdf or .doc file on the following screen.
  - What is your Redlands email address?
  - Why do you want to be a part of this community?
  - What would your ideal version of this community look like?
  - How do you see yourself contributing positively to this community?
  - The agreement to live in this community is written above. How confident are you in your ability to abide by this agreement?

For questions, please contact Residence Life and Housing at [RLH@redlands.edu](mailto:RLH@redlands.edu).
